Abstract

The Center for Service and Learning Research Collaborative has achieved its mission to (a) increasing the capacity of IUPUI faculty to engage in research on service learning; (b) convening internal and external service learning scholars to develop new conceptual frameworks and methodological tools (e.g., Civic-Minded Graduates and Professionals) to improve the quality of service learning research; and (c) disseminating high quality scholarship through *IUPUI Series on Service Learning Research* (Stylus Publishing), publishing research resources (e.g., scales, Research Primer, Research Briefs), convening scholars for symposia and conferences, publications in peer-reviewed journals, and hosting the 10th Annual conference of the International Association for Research on Service Learning and Community Engagement in October, 2010.
