University Library Mentoring Program

Brief Description and Goals

1. The goal of the University Library Mentoring Program is to retain faculty with a professional mindset who can achieve tenure and be long-term productive employees.
2. Objectives to further our goal:
 - Assist with successful achievement of tenure
 - Provide guidance and support for professional development and service activities
 - Provide guidance in the area of faculty engagement
3. The program focuses on tenure-track librarians.

Outcomes and Ongoing Efforts

Peer Mentoring Group (ongoing)

- General support sessions
 - Writing circles
- Information sessions
