Dedication

For my husband, Corey Sherven.

He is my cheerleader and my strength. I would not have been able to complete this thesis without his loving support.

There were many times when I could not see the light at the end of the tunnel, but he always had the right words to see me through.

Acknowledgments

My sincere thanks:

To my thesis committee, Dr. Steve Fox, Dr. Susan Shepherd, and Tere Molinder Hogue, for pushing me to produce the best product through their focused, detailed, and supportive guidance.

To my parents for always believing in me and teaching me perseverance when reaching for my goals.

To Frank Smith for his meticulous and astute commentary during revisions. My ideas are more coherent because of Frank as my sounding board.

To all the wonderful people I work with in the IUPUI Writing Center, who inspire me every day with their brilliance and dedication.

To Debra Barker for solving the mysteries of Microsoft Word
