Directions: Imagine that you have a chance to vacation in Paradise. Where is Paradise and what kind of place is it? Imagine who or what would be around you. Use your pencils to draw a picture of this place. Use all senses. What do you see? What do you hear? What does it feel like? What do you smell? What tastes are present? Take a few more moments to imagine Paradise then draw a picture of Paradise. Artistic ability is not important. Do the best you can. Be sure to include information about all your senses. You may use captions to give further details about your picture.
