Short Course in Ethics

- Our first short course was held on 21 Nov. to 9 Dec 2011
- 30 participants were trained out of 67 applicants
- Second short course was held on 10-13 April 2012. 30 participants were trained out of 60
- We are planning for another training this year and workshop to review the Master program and develop the short course to conform to Moi University certificate programs
