**THREAT ANALYSIS**

[1] A surgeon was killed in an employee-patient parking garage at an Orlando, FL hospital Thursday evening in what appears to be a murder-suicide incident. This is the latest in a disturbing recent trend of threatened or actual shooting events, with several hospitals having gone on lock-down in the last 10 days due to threats.  

[2] Staff in Joplin, MO evacuated 9 floors of patients within 90 minutes after the tornado struck the hospital.

**ACTION STEPS**

*Prepare for active shooter events now, and learn from the success of others*

[1] Plan, train and drill now for responding to active shooter threats at your facility.
