Indiana Behavioral Health Workforce Data Advisory Group

The **purpose** of the advisory group is to provide insight into ways in which available Indiana health workforce data might contribute to actionable policy and programmatic initiatives.

The Behavioral Health Workforce Data Advisory Group consists of representation from government, academia, trade associations, and employers. Individuals or organizations interested in serving on the advisory group should reach out to the Bowen Center at bowenctr@iu.edu. Public comment may be made through email communications and will be brought to the Advisory Group for consideration and final decision.
